

Courses for Internships

These listings provide information to start looking for internship credit. Please visit our website for full course descriptions at <http://careers.usc.edu/courses-for-internships> or go directly to the department for the most updated information.

Students enroll in an internship course for the academic component. There is no connection between the course and whether or not the sponsoring organization meets the legal requirements for an unpaid internship. The organization, and not the University, is solely responsible for ensuring that the internship meets these requirements.
